T-Shirts passed out to club members Jim Butler, Warren Young, Jeff Worcester and Phil Flag for their committee work on the by-laws.

WHO IS THAT IN THE GLOW-IN-THE-DARK SHIRT???????

Our club is successful and our trails are great due to the work of a lot of people.

We have volunteers who do trail work, build bridges, and keep our section of the Maine ATV trails in working order. They work hard to make sure the trails are safe, clear, and give you a pleasant riding experience. More than once we have been told by visitors (even flatlanders!) how great our trails are. Kudos to the orange-shirted members who go out there and work hard!

We also have administrative volunteers who do things like register new and renewed members, send out stickers, maintain our finances and membership lists, run our meetings, function as Trailmaster, and all kinds of other jobs. We are the people sitting at computers day after day and can be found in the day-glo yellow shirts. Kudos to the administrative volunteers too!

Getting involved in the club is fun and rewarding. If you have a particular skill that you think might be helpful, seek out someone in one of the glow-in-the-dark shirts and offer to help
