AIRLINE ATV RIDERS

NEWS:

As you read last month a number of our club members performed trail work this past season. They will get awards in April. Its our award season. We are waiting for results for Member of the year, Re-cruiter of the year and Life Time Achievement.

Nominations are posted in the meeting minuets on the following pages. If you wish to be nominated or know someone who would like to be nominated

Did you make a New Year's Resolution?

True Confessions of a Newsletter Editor:

Yes, it's true. After four years of doing the newsletter, I will be stepping down in March. I would hate to see the Club go without a newsletter, so please consider filling this important volunteer role! All you need is a bit of computer skill. I will provide training and assistance for you to get started. I'll also provide all templates so you don't even need to be creative!

Most of the newsletters go out by email now. Only about 40 are printed and mailed. The Club can provide a printer, and it pays for all ink and postage. All you need to provide is your time and a desire to help our Club be the best it can be!

If you are interested even a bit please give me a call at 207-884-8211.

Here's one way to get a little more riding! (Photographer's helmet stays inside.)
