

Beddington Planning Board
Chair, Michael Loughlin

To: Board of Selectwomen & Treasurer:
Debora Pollard, Marie Marini, Jean Kay, Carol Varin

For 9 July 2019 meeting

Dear Selectpersons & Treasurer/Town Clerk:

Item 1. We had 3 in attendance at the July 8, 2019 Planning Board meeting: myself, Neil and Mike.

Item 2. If he has not gone already we should probably have Stanley look at the condition of Map_3__ Lot_4____ Sub_4_____ the Bion & Michelle Holbrook property. They got about 4 online burn permits this winter for 50 to 100 feet from the shoreline.

Item 3. We conditionally approved 1 building permit for a shed on Map 19, Lot 2B on the Church Farm Road (#119). This is an after the fact building permit since the shed is already there. The application fee check is in the Select Board box. The application was incomplete and the permit will be issued after the application is complete, if it meets the setback and other requirements. The building has been seen by some board members who are reasonably certain it will meet the requirements.

Item 4. I'm continuing to move maps to the map case. Thank you again for getting it.

Sincerely,

Michael Loughlin.
