

Just released... **Volume II of A Maine Deer Hunter's Logbook**. This is a vastly expanded version of the first book, which has been a big seller. A full 181

pages, this new volume is packed with many more photos, practical tips, tales, and tactics on how to outwit the wary Maine White-tail.

\$16.95

*For the diehard deer hunter:
An authentic Maine hunting
book. A keepsake edition.*

"We hunters need more books like this. In clear, good-humored prose, Reynolds entertains, informs and captures the essence of the whitetail experience."

*-Dan Aadland, The Best of All Seasons:
Fifty Years as a Montana Deer Hunter.*

"This book has enough tips to keep new hunters interested and enough tales...to appeal to those who have spent years in the woods."

*- John Holyoke, Bangor Daily
News outdoor writer*
